OSA-3757-63

5 August 1963

MEMORANDUM FOR THE RECORD

SUBJECT: [REDACTED]

1. At 2:45 p.m., 2 August 1963, I had a telephone call from Dr. Albert Wheelon. He advised me that [REDACTED] is joining the DD/R and inquired as to how quickly we could get him cleared for all NRO special projects. I advised Dr. Wheelon that such clearance could be effectuated in the case of [REDACTED] in a matter of minutes since OSA is authorized to approve need-to-know for I, A, C & O, and the DD/R can approve CIA persons for access to the remaining NRO special projects. In passing, I mentioned the DD/R (whoever that may be), and Dr. Wheelon responded by saying "I guess that's me."

2. I cleared this matter with the Director of Security and informed [REDACTED] telephonically that he has been cleared for these special projects. I handled this in this manner since Dr. Wheelon had indicated that he desired to confer with [REDACTED] at 3:00 p.m., 2 August 1963, and would like to have him cleared by that time. I requested [REDACTED] to contact [REDACTED] of the Office of Security subsequent to his meeting with Dr. Wheelon to be "signed up" for these special projects.

3. I informed [REDACTED] of the above.
